

## STARS FALL FROM THE SKY AND OTHER STORIES

Written by: **Neli K. Filipić**

Illustrated by: **Igor Šinkovec**

The third part of the Eva and Emil stories brings together the two characters, who become friends. Like all children, they love to play and they love it even more when they play together: sharing a cloud, building a dinosaur house, searching for hidden pirate treasure, creating summer in winter and discovering new constellations. This collection of short stories is aimed at young readers who are embarking on their own reading journey.
